Subject: Operations Tower Phone Number Changes

Hello all..

as part of the MKE station zone redesign, the Ops Tower phone numbers will be re-designated to better reflect the positions being worked and easier for everyone to remember. Managers please fwd this email onto your respective supervisors and leads and update any phone lists that you have. Please also forward to any other area that I may have missed.

Telecommunications will be making this change effective Tuesday, June 1st around 9am.

This list shows the new designations:

NEW EXT	
6290	Tower Supervisor
6291	Ops Zone 1
6292	Ops Zone 2
6293	Ops Zone 3
6294	Ops Communicator (ASIG / COMMISSARY / GROOMING)
6295	Tower Lead (Ramp Control/Gate Manager) (MAINTENANCE)
6297	Pax Planner
6304	Deice Coordinator
6079	Tower Fax Machine

Let me know if you have any questions.

MAINTENANCE / COMMISSARY / GROOMING / ASIG please note specific extensions we would like you to use when calling the tower. The Communicator or Lead may then transfer you to the specific zone controller, depending on the issue.

Subject: AUG 13th.. FMLA Used 12-1600

Hi Barbie,

I needed to use four hours of FMLA today, due to my BP being up and puking bile. I was scheduled 12-1600. could u please tell me who I can contact in our co to file a complaint? Who is the mgr/VP of Human Resources? Just their names and email addresses please... thanks for your help! Fill in supervisor Heather Hasting in CC in because my direct sup, is on vacation and my manager never answered me back about calling her too, and WHY I had to. heather was the only mgr/sup who verbally spoke with me today, and who handled the situation very professionally.
